Please [include don't include] my information on the participant roster.

General Registration Fees & Information: To qualify for Early Bird registration, this form and all payments must be received by March 31, 2008. Cost is per course (i.e. 1 week, 2 courses, \$700)

Early Bird Registration (through 3/31/2008)	\$350
Regular Registration (after 3/31/2008)	\$400
Intersession	\$100

Courses:
(Please select all that apply.)

Week 1: June 9-13, 2008

Morning Session. 8:30 a.m. - 12:30 p.m.

Intermediate Statistics (Bob Hall)

Structural Equation Modeling (Vic Willson)

No week 1 morning session

Afternoon Session. 1:30 p.m. - 5:30 p.m.

Hierarchical Linear Modeling (Oi-man Kwok)

No week 1 afternoon session

General Payment Information: *(select only one option)*

Total # of courses X \$400 (\$350 if registering and paying before 3/31/2008) + Intersession charge @ \$100 per intersession class. For example, if you register for two courses and would like to attend an intersession course, your total payment would be \$800 (Early Bird) or \$900 (Regular registration). You would check the boxes for the two registered courses plus the box for the intersession course. If you only want to attend an intersession course, the fee is \$100.

Dean Palmer and his staff have agreed to underwrite some of the Summer Workshop costs for College of Education and Human Development (CEHD) faculty and students. The first 16 faculty members (tenure track, clinical, or lecturer) and the first 20 graduate students from the college who register for summer workshop course(s) will receive a one-course fee reduction (\$250 for faculty; \$300 for graduate students), allowing CEHD faculty to attend one workshop session for the reduced price of \$50 and CEHD graduate students to attend one workshop session at no cost. This offer is on a first come-first serve basis.

For example,

Dr. Bob Hall (faculty member in EPSY) signs up for two regular courses (Multivariate Analysis and Mixed Methods). His total fee will be (register before 3/31/08):
 $\$350 \text{ (per course)} * 2 \text{ courses} - \$250 \text{ (discount for one course)} = \450

Angela (EPSY grad student) signs up for two regular courses (Intermediate Statistics and Structural Equation Modeling). Her total fee will be (register before 3/31/08):
 $\$350 \text{ (per course)} * 2 \text{ courses} - \$300 \text{ (discount for one course)} = \400

Reduced fees apply only to full courses, not to the 4-hour Saturday intersession courses. The cost for those remains \$100 per session.

Payment Options

Check by standard mail (made payable to **Texas A&M University**)

Money order (made payable to **Texas A&M University**)

Send payment to:

Texas A&M University Summer Statistics Workshops
 Department of Educational Psychology
 Attn: Angela Welch
 College of Education and Human Development
 4225 TAMU
 College Station, TX 77843-4225

Faculty/Department

(CEHD refers to the College of Education and Human Development at Texas A&M University)

Student/Department
(CEHD refers to the College of Education and Human Development at Texas A&M University)

Special Accommodation

If you will need special accommodation (access or dietary), please check the box and a member of our staff will contact you regarding your special needs.

Mailing this application form AND payment of fees guarantee placement in registered course(s).

Housing: Individuals are responsible for their own housing arrangements. Hotel/motel costs in the Bryan/College Station area range from \$40-\$120 per night depending on venue. Restaurants ranging from fast food and delicatessen chains (e.g., Burger King, McDonalds, McAlister's Deli, Subway, etc.) to national chains (e.g., Olive Garden, Cheddars, Texas Road House, Abuelo's, Boston's, etc.) to specialty (e.g., Christopher's World Grille, Café Excel, Chef Cao's, Fritellas, etc.) are in close proximity to the University and to general housing.

Resources: Attendees are expected to bring a laptop for personal use; desktop computers will be available during course instruction. Specialty programs will be utilized for some courses with student versions recommended on personal laptops if attendees do not have full versions.

Other Amenities: Snacks and break refreshments will be available each day of the summer workshops. On- and off-campus eating facilities are available for lunch.

Refund and Cancellation Policy: A full refund of registration fees, less a \$100 cancellation fee, will be available if requested in writing and received by **May 23, 2008**. No refunds will be made after that date. (Please note that if you fail to cancel by the deadline and do not attend, you are still responsible for payment.) Texas A&M reserves the right to cancel the Summer Statistics Workshops and return all fees in the event of insufficient registration. The liability of Texas A&M is limited to the registration fee. Texas A&M will not be responsible for any losses incurred by registrants, including but not limited to airline cancellation charges or hotel deposits.
